

CENTRAL BOARD MINUTES  
April 25, 1944

President Jack Cuthbert called the meeting to order and the minutes of the April 18 meeting were read and approved.

Mr. Redford reported that there will be a meeting of the High School Debate League here on May 13, in which 20 to 30 debators and coaches, representing nine schools, will participate. He said that because they lack funds for a banquet for the high school guests, they would like to have Central Board's support, possibly as a public relations measure. Voldseth moved that we authorize Mr. Redford to expend from the University Debate funds the amount needed for the High School Debate League banquet. Kinkade seconded, and the motion carried.

The committee which was appointed to study the proposed plans for promoting student-faculty coordination presented the following recommendation: that there be created a Student Ideas Committee for University Betterment, for the purpose of receiving suggestions from any student source for improving the University in any activity or function; this committee should be made up of the president and vice president of each class, and should cooperate with the appropriate faculty committee. The combined group, to be known as the University Betterments Council, should discuss all suggestions which are presented to them and refer recommendations to the University administration, after securing the approval of Central Board.

Mr. Briggs presented by-laws proposed by the committee to establish the Ideas Committee as an ASMSU organization. Hansen moved we adopt the by-laws as presented, with the supposition that the faculty committee will be appointed. Voldseth seconded, and the motion carried. Upon the committee's recommendation that the main function of the Council should be general betterment, rather than the handling of "gripes," Hansen moved that the Ideas Committee be directed to secure student participation in all possible phases of the current curriculum study. Kinkade seconded, and the motion carried.

Cuthbert announced that final elections will be on Thursday, May 4, from 9:00 a.m. to 4:00 p.m. He recommended the appointment of Al Wilkinson to Athletic Board, to replace George Prlain, and the appointment of Barbara Geis to replace Jean Gordon on Publications Board. Murphy moved and Voldseth seconded that we approve these appointments. Carried.

Meeting adjourned.
